

MAY 9 - 10 THE OTHER SIDE OF THE DISASTER

Tuesday, May 9 - Registrations begin at 8:30 a.m. Program at 9:00 a.m. to 5:00 p.m. Wednesday, May 10 – 9:00 a.m. to 1:00 p.m.

How do you recover from a nightmare? As one young rancher put it, “I don’t need sympathy. I just need to know what to do.” Dave Pratt of the internationally acclaimed Ranching for Profit School has helped hundreds of ranchers figure out what to do after devastating fires, floods, blizzards and other natural disasters. Dave will be in Ashland Kansas May 9 -10 to help you figure out short-term and long term actions you can take to address the impact the fires had on your land, your animals your money and you.
